Who We Are

The Sovereign Order of St. John is an ecumenical Christian organization with 900 years of history. The Sovereign Order is directly descended from the close collaboration of crusader knights with the Hospitaller activities of the hospital founded by Brother Gerard in the late 11th century and subsequently formalized by the merchants of Amalfi for pilgrims in Jerusalem.

The members of the SOSJ are individuals with a commitment to, and experience in, community service and an ongoing interest in helping the sick and poor.

What We Do

The Sovereign Order today is a blend of traditional, social and charitable activities.

Helping the sick and poor is our main activity. Each Commandery selects its charitable purposes and supports them according to their resources.

The largest project has been the 2013 building of the \$5.3 million St. John Hospice. Another Commandery provided \$2.6 million for a wide variety of activities including supporting children with cancer and to varied addiction facilities. Many members also volunteer their time to help charities.
